

Terms of Service

Last Modified: January 12, 2024

These Terms of Service agreement (hereinafter referred to as the "Agreement") represents an online service (hereinafter referred to as the "Service") for the purpose of encrypting PHP code provided by you (hereinafter referred to as the "User") under the terms and conditions set forth below.

1. ACCEPTED CONDITIONS

1.1. The User accepts responsibility for encrypting PHP code using the Service. Any problems that may arise from the use of the encrypted code are entirely at the User's own risk.

1.2. The User agrees to use the Service only for legal and ethical purposes. In case of any illegal activity or misuse, the responsibility lies entirely with the user.

1.3. The User agrees to fully comply with applicable copyright laws for licensing and distribution of the code encrypted with the Service. The User undertakes not to license or distribute the encrypted code in violation of these laws.

1.4. When using the Service, the User is responsible for confirming that the code contained therein complies with the law, personal data protection legislation and other relevant regulations. By using the Service, the User agrees not to infringe the rights of third parties.

1.5. The server of the Service does not control the content or functionality of the User's encrypted code and does not accept responsibility for it. It states that any responsibility for the correctness or license status of the User's encrypted code lies entirely with the User.

2. WARRANTY DISCLAIMER

2.1. The Service is provided in its current state. You acknowledge that the server is not guaranteed to operate without interruption, error or malfunction.

2.2. No warranties or guarantees are made as to the quality, accuracy or performance of the Service.

2.3. No warranty or guarantee is made for the correctness, functionality or any other characteristic of the encrypted code. The User accepts its own responsibility for testing and verification of the encrypted code.

3. LIMITATION OF LIABILITY

3.1. The service provider is not liable for any direct, indirect, collateral, incidental, accidental, special or consequential damages or losses arising from the user's use of the Service.

3.2. The User agrees that he/she shall not make any claim for compensation against the service provider for any problems arising in connection with the Service, regardless of their cause.

3.3. By continuing to use the Service, the User agrees that he/she assumes full responsibility and that the service provider has no responsibility or liability.

4. TERMINATION OF THE CONTRACT

4.1. The User has the right to terminate the Agreement at any time.

4.2. The Service provider reserves the right to suspend or terminate the Service if it finds that you have breached the Agreement or without notice.

5. GENERAL PROVISIONS

5.1. This Agreement provides a full and complete agreement between the parties unless it is signed in writing.

5.2. If any part of the provisions of the Agreement is held to be invalid or unlawful, the remaining provisions will remain valid.
